

Peer Critique Form – Geometric Animal Drawings

Name of the Artist: _____

Your Name: _____

Step 1: Positive Observation (Compliment #1)

What is something that stands out positively in this artwork? Consider the use of geometric shapes, composition, line quality, or creativity.

👉 *Example: "I love how the geometric shapes make the animal feel strong and dynamic!"*

👉 **Your response:**

Step 2: Constructive Critique (Growth Suggestion)

What is one area that could be improved? Offer a specific and helpful suggestion. Consider shape consistency, shading, balance, or use of space.

👉 *Example: "The contrast could be stronger with darker shading in some areas to create more depth."*

👉 **Your response:**

Step 3: Encouraging Feedback (Compliment #2)

End on a positive note! What is another thing you really appreciate about this artwork?

👉 *Example: "Your composition fills the page really well, making the drawing feel complete!"*

👉 **Your response:**

This form is meant to foster constructive feedback and help refine your artworks.

Be specific, respectful, and thoughtful in your responses
