H

HELP

LECTURE DAY
Expectation

- Raise your hand, then raise your voice
- Don't be scared to interrupt me with questions or clarifications

TECH DAY
Expectation

WORK DAY
Expectation

- I will be moving around the room, come find me
- Be a helpful resource for each other!

A

ACTIVITY

LECTURE DAY
Expectation

- Notebooks out, pencils ready

TECH DAY
Expectation

- Eyes & ears focused on task, safety is our most important activity

WORK DAY
Expectation

- Art room is for art work
- Doing nothing gets you nothing

M

MOVEMENT

LECTURE DAY
Expectation

- Sit or stand, your body is your own
- Keep your body to yourself
- Don't be a distraction
- Bio breaks can be non-verbally communicated
- Wait until I acknowledge I see you before before leaving classroom

TECH DAY
Expectation

WORK DAY
Expectation

P

PARTICIPATION

LECTURE DAY
Expectation

- Discussion will always happen afterwards, be prepared to share

TECH DAY
Expectation

- Technique gets complicated, ask questions!

WORK DAY
Expectation

- Not every day will be a stroke of genius, use the tools we have to get those muses singing

S

SUCCESS

LECTURE DAY
Expectation

- This a no homework class!
- Tests are retakable (but evidence of preparation but be shown)
- No grade is final until the end of the unit, if you feel my grading is unfair let's talk about it!

TECH DAY
Expectation

WORK DAY
Expectation
